### Photograph Permission Slip

In line with regulations in respect of Data Protection legislation, written permission must be sought for children to be photographed or videoed for school purposes. Parents and Carers **are** allowed to take photographs and videos at performances and class assemblies for private and personal use which is not covered by the data protection act. **Any parent wishing to withdraw their child from performances for this reason should alert the teacher in charge BEFORE the event.**

In order to avoid a wealth of separate and unnecessary forms we would appreciate it if you would sign to give your agreement:

We have no objection to (full name in BLOCK CAPITALS) \_\_\_\_\_
