Policy Statement

Collingwood Primary School is committed to providing the highest quality of teaching and learning for all its pupils and will ensure that at all times that teaching and learning is delivered by appropriately trained and qualified staff.

The school will manage sickness and other absences effectively, and in accordance with its Policies, in such a way that provides appropriate support to staff but also ensures minimal impact of teacher absence on pupil progress and wellbeing.

Statutory Position

From September 2009 schools are required to ensure that teachers are required to cover for absent colleagues only rarely. The contractual provision applies to all teachers and the headteacher at the school, including teachers on the leadership spine and ASTs whether on permanent, fixed-term or temporary contracts and pro-rata to teachers on part-time contracts. This requirement does not apply to teachers employed specifically for the purposes of providing cover.

Definition of rarely cover

'Rarely cover' is interpreted as meaning a teacher will only be asked to cover in circumstances that are not foreseeable. 'Foreseeable circumstances' for the school include events that are foreseeable on the basis of historic experience; events that are foreseeable in the normal local experience; and events that may be expected as part of the evolving pattern of provision. Teachers PPA time is part of their contractual entitlement and cannot be used for cover. Emergency cover will be shared equitably among all teaching staff having regard to their other commitments.

Definition of absence

Absence occurs when the teacher normally responsible for teaching a particular class is absent from the classroom during the time they have been timetabled to teach. Absence may be due to internal or external activities as well as sickness and may be long or short term. Absence which requires cover as defined in this Section, does not include periods where a teacher is timetabled to be absent from their normal teaching duties e.g. timetabled PPA or Leadership and Management time. See Section B - PPA policy.

Definitions of short term absence

Short term absence will normally be no longer than three days but the definition for the purposes of determining cover arrangements may vary according to:

- the extent to which continuity of learning can be maintained;
- the length of time a particular group of pupils would be working without a teacher;
- the proportion of the total curriculum time affected in a specific subject over the course of the term.

Educational visits

Where a teacher acquires non-contact time in the timetable as a result of a class or group they would normally have taught being absent on an educational visit, they may be directed to use this time to undertake the following activities, directly relevant to teaching and learning:

Developing/revising departmental/subject curriculum materials, schemes of work, lesson plans and policies in preparation for the new academic year. This may include identifying appropriate materials for use by supply staff, LSAs HLTAs;

- Assisting colleagues in appropriate, planned team teaching activities;
- Taking groups of pupils to provide additional learning support;
- Supporting selected pupils with coursework;
- Undertaking planned activities with pupils transferring between year groups;
- Where the school has a policy to release staff for CPD during school sessions, this time may be used for such activities.
- Such activities will be planned in advance of the visit.

Covering absence

A teacher's absence from their timetabled teaching commitments may be planned (e.g. training course) or unexpected (e.g. sickness). Although the principles apply equally to both types of cover, the management of them may differ. NB cover in this context does not apply to timetabled absence (see 1.2 above).

Cover will be undertaken only by staff:

who have been assessed as competent to undertake specified work, defined in Regulations 133 as:

- planning and preparing lessons and courses for pupils;
- delivering lessons to pupils. This includes delivery via distance learning or computer aided techniques;
- assessing the development, progress and attainment of pupils; and
- reporting on the development, progress and attainment of pupils
- for whom all relevant employment safeguarding checks have been undertaken;
- who have been inducted into the school's policies and procedures, particularly child protection, behaviour management and health and safety, DBS and prohibition checks etc

Cover will be provided in the following ways:

Supply/cover teachers:

A supply/cover teacher will normally be engaged for all absences exceeding 2 days. The school will seek always to engage the service of a qualified teacher from day 3.

HLTAs

HLTAs will provide short-term cover for the first 2 days or cover beyond this where a supply teacher cannot be secured. The 2 day limit applies to an individual teachers' absence. An HLTA may cover for longer than this for a number of different teachers. All HLTAs will be assessed as meeting the HLTA standards. The school is committed to ensuring all HLTAs pass through an external assessment process. HLTAs work under the professional direction, and under a system of supervision, of a qualified teacher.

Cover Supervisors

The school will not use cover supervisors to cover for absent teachers.

Specialist lessons

No-person shall provide cover for PE or other specialist lessons unless, they hold the relevant qualifications/training; and, a risk assessment has been carried out by a qualified teacher

Managing cover

All covered lessons will be managed in such a way that all pupils continue their learning. It is expected that where the absence is planned, teachers will provide details of the work to be undertaken by pupils during cover lessons. In the absence of this, and in the cases of unplanned absence, such information will be provided by the Deputy Headteacher. Although this will not always be possible, HLTAs will ideally provide cover for teachers with whom they usually work and with whose plans they are familiar. All those providing cover will be expected to deliver provided

lesson plans and undertake such assessment, recording and reporting as may be required. Where cover is being provided beyond 2 days, they may also be required to undertake lesson planning and preparation.

All staff providing cover will be given an appropriate and proportionate allocation of paid to time to undertake:

- liaison with other staff and giving feedback;
- providing written feedback and completion of other relevant paperwork;
- planning, preparation and assessment where appropriate.
- In the case of teachers this is addressed through an allocation of directed time.

The school encourages all staff undertaking lesson cover to be a member of a relevant trade union/professional association.

Deployment of Support Staff

Where support staff are deployed to provide cover, the Deputy Head will:

- have regard to the suitability of the task to the member of staff's current role;
- the impact on their workload and whether sufficient time is available, or could be freed up;
- consider any additional training needs;
- ensure that if additional paid working hours are required this is agreed with the member of staff;
- ensure job descriptions are revised to reflect agreed changes and additional responsibilities;
- ensure pay and grading reflects any revised roles and responsibilities.

Monitoring

To fulfil its commitment to ensure the short, medium and long term quality of teaching and learning for all its pupils, the school will record, monitor and evaluate cover as follows:

- the overall amount of cover required (planned and unplanned);
- the number of individual teacher's lessons requiring cover;
- the number of lessons covered in each year group;
- the number and quality of lessons covered by each qualified teacher and other staff;
- all those providing regular and/or medium/long term cover will be observed on a termly basis.

PPA/NQT release time

Statutory Position

From September 2005 all teachers, including headteachers, with timetabled teaching commitments, have a contractual entitlement to guaranteed PPA time within the timetabled teaching day. Teachers in their NQT Induction year have an entitlement to additional release time.

PPA calculation

PPA is calculated as a minimum of 10% of a teacher's timetabled teaching time. PPA must be allocated in blocks no less than 30 minutes.

NQT release time

NQTs serving their induction period must not be timetabled to teach for more than 90% of a classroom teacher's timetabled time. PPA is calculated on this reduced NQT timetabled teaching time.

Use of PPA time

PPA time must be used for planning preparation, and assessment. It is for each teacher to determine the particular PPA priorities for each block of timetabled PPA time, although this does not preclude them from choosing to use some of the time to support collaborative activities.

PPA allocation

Every teacher with timetabled teaching commitments will have PPA timetabled: in one block. Teachers may choose to spend some or all of their PPA time working collaboratively with colleagues. PPA may only be undertaken away from school premises with the Phase Leader's prior permission and on the understanding that this is not detrimental to pupils or colleagues in any way.

Covering PPA

PPA will be undertaken only by staff who have been assessed as competent to undertake specified work, defined in Regulations as:

- planning and preparing lessons and courses for pupils;
- delivering lessons to pupils. This includes delivery via distance learning or computer aided techniques;
- assessing the development, progress and attainment of pupils; and
- reporting on the development, progress and attainment of pupils.
- for whom all relevant employment safeguarding checks have been undertaken;
- who have been inducted into the school's policies and procedures, particularly child protection, behaviour management and health and safety

HLTAs

Where HLTAs provide PPA cover for teachers, all HLTAs will be assessed as meeting the HLTA standards. The school is committed to ensuring all HLTAs pass through an external assessment process. HLTAs will normally have an additional LSA in the classroom where they are providing whole class PPA cover, if there would have been one for the teacher. HLTAs work under the professional direction, and under a system of supervision, of a qualified teacher.

Instructors/coaches

Pupils will be engaged in activities with specialist music/sports etc coaches during PPA time as curriculum enrichment.

All staff providing PPA release will be given an appropriate and proportionate allocation of paid time to undertake:

- liaison with other staff and giving feedback;
- providing written feedback and completion of other relevant paperwork;
- planning, preparation and assessment where appropriate.
- In the case of teachers this is addressed through an appropriate allocation of PPA/directed time.

Managing PPA

PPA time will be managed in such a way that active learning takes place for pupils. Activities undertaken by those covering PPA will normally be planned and prepared by the person providing the release. However, the classroom teacher will remain responsible for the overall learning although there is no expectation that the teacher should be present during delivery of specified work. Teachers are not required to undertake separate additional planning for delivery by HLTAs or other staff providing PPA cover. However, HLTAs may work with teachers as part of the teachers normal planning, to determine appropriate activities for PPA time. All those providing PPA activities will be expected to undertake such assessment and reporting as may be required by the class teacher.

It is the Senior Leadership Team's responsibility to monitor the quality of activity taking place during PPA time, and all those who release staff for PPA can expect to be observed.
