Results in 2018 were lower than usual due to the high number of pupils with SEN 22%, (particularly dyslexia,) and the specific contexts of the pupils in this cohort. Attainment is low but progress is within the national range. Whilst disappointing, these results were as parents and teachers expected.

Good level of Development Achieved at the end of EYFS (national in brackets):

2017	2018	2019
