

Collingwood Primary School Newsletter Friday 22nd January 2021

"We live our lives with arms and minds wide open"

Please follow us on Twitter @collingwoodprim

As we enter into week four of remote learning, we thought it might be helpful to offer parents an opportunity to tell us how we can support you further. **We will send you a link to book an appointment for a meeting with your child's teacher, please do take this opportunity to talk to us in private.** Teachers will not therefore be meeting with pupils "live" on Mon to Thurs during the week beginning 24.1.21 and may or may not be able to fit in an assembly on Friday depending on how many parents they have to meet with. Please see the week's plan for your child for more information on this. All "live" meets with pupils will be back in place the following week.

Other support for families: If you or your child are struggling, please remember the Family Support section on our website (top right of the screen www.collingwoodschool.net see drop down section top left on the first support page for different sections) which contains lots of national and local information on health, online safety, anxiety etc. There is no shame in admitting that you are struggling...we all are in some form or other. Alternatively, at the end of every newsletter there are helplines and contact details for organisations that can help you.

Life in school: We still have 19-28 pupils coming in each day, in three bubbles. **Critical Worker and Vulnerable children arrive and leave at different times and are here only for the duration that their parents are working, so that they have as little contact with others as possible. These children have no choice.** All staff are on site at some point, if well, and we have continued to keep morning and afternoon staff apart so as to limit contamination. Only sports coaches work with different bubbles whilst socially distancing. Please remember that **just because you "qualify" for a school place this does not mean that your child must come to school. If someone on site tests positive, staff and children will need to isolate which will stop critical workers going into work. Please consider if it is absolutely necessary in your circumstances.**

Device update: I am sorry to say that our 16 government laptops have not yet arrived. Thank you so much to the anonymous parents who sent in their old devices for us to give to pupils at home, this is really, really appreciated. Together with some school spares, we will be able to lend out a further 6 devices to pupils who are having to work from paper copies followed by those struggling to access work on mobile phones. We still have a waiting list so please keep them coming, however old they are. Don't forget that you can access Google Classroom on X-Box, Playstations, mobiles and some smart TVs and, if not, we can provide paper copies, on request. The Village Group, which supports local schools and children's groups and clubs in South Woodham Ferrers, have very kindly donated £2,000 to each school in the town which we will use to provide additional laptops to lend to pupils with limited access during lockdown. We would very much like to communicate our sincere thanks for this generous donation as it will make a big difference to town's pupils. Thank you.

Tests for Primary School Staff:

Primary school staff lateral flow tests are due to arrive soon so that staff can test every few days before coming into school. We welcome this move but suspect it may result in further isolation for staff and pupils on site if those tested did not display any symptoms.

Stay safe, keep smiling, take the vaccine if you are offered it and talk to someone if you feel anxious. We will get through this!

We regularly email free school meals voucher information to parents. If you think you are eligible and have not heard from us, please email admin@collingwood.essex.sch.uk

Governor News

Our Governing Body has its own page on our website. (Click on the link top right) Our Statement of Governance, which details the membership, attendance and work carried out by our Governing Body is available to view on our school website. Our policies can be found, on our school website, on the policies page www.collingwoodschool.net

Remember that if a member of your household is symptomatic, the whole household must self-isolate until the test result is received. Pupils should not be in school whilst someone is waiting for results.

Dates for your diary

All dates can be found at www.collingwoodschool.net If school is ever closed, at short notice, it will appear on <http://www.essex.gov.uk/Education-Schools/Schools/Dates/Pages/Emergency-School-Closures.aspx> and the school website/twitter first and be announced on Essex FM and BBC Essex as soon as possible. Please avoid ringing the school as the phone is unlikely to be answered whilst we are organising staff!

Remote Learning: Working in partnership with you!

We know that parents are not teachers...we find this way of working intense and exhausting too! We are all in this together so let's make it work in the best way that we can!

- Do not be too hard on yourself if something goes wrong or if you do not cover everything.
- Expect your child to work on their own for some time each day. They would not have constant 1:1 adult support in school so should not have it at home. Teachers will not have set impossible tasks for children although we have probably set too much work so that fast workers do not run out.
- There is nothing wrong with doing something that is not on the plan if it benefits your child's learning. Cooking, waterplay and playdough can be a maths (shape/measurement/descriptive language/physical manipulation) and science lesson, writing a shopping list, reading something that is not a reading book etc all have value. Have a list of things to fall back on which your child can do without you eg write a diary, put spellings into sentences, copy out some text in your best joined up handwriting, read a book, draw a picture, listen to an audio book/non-fiction book/website and write down main points/formulate 10 questions etc
- Do not feel guilty about using The Oak National Academy (www.thenational.academy) or BBC Bitesize (www.bbc.co.uk) or putting your child in front of an educational television programme instead of doing the work that has been set, if it fits in better with your circumstances. Just let teachers know what your child did instead so that we do not chase you to submit work.
- Organise the learning in a way that suits your circumstances...not all of it needs to be done at specific times although planning times for work and times for breaks/play is really important. Plans from next week will be set out differently allowing you more flexibility.
- Please do not submit more work than has been asked for, teachers have not got time to respond to it.

- Remember to say "well done!" to your children and to yourself...you are doing something really hard...could I do your job especially without training?

Mrs BG
